I have been a licensed Notary since October 2008 and have been completing mobile notary document signings for just as long. I retired as a Real Estate Broker and as the owner of National Marketing Realtors. I was a successful Real Estate Broker and Agent so I have tons of experience with closings on both sides of the table (representing Real Estate Buyers and Real Estate Sellers). I am also North Dakotas' most active Real Estate blogger. I have a professional office centrally located in downtown Minot at 201 Main Street South, Lower Level, Minot ND where I can accommodate your signing needs. Call or text to 701-720-8513.
