As a certified notary signing agent, I understand the importance of accuracy and professionalism in every signing. An incomplete signing or one full of errors can cost a mortgage officer a rate lock, a buyer to miss a close of escrow, or delay funding conditions. I am committed to delivering top-notch customer service to ensure seamless and stress-free signings.

I am experienced in handling all types of notary services, including mortgage refinances, purchase loans, seller packages, HELOCs, and reverse mortgages. I am certified by both the Loan Signing System and the NNA and make sure that signatures, dates, and initials are complete and properly filled out. I also triple check key documents, such as the Notice of Right to Cancel and 1003, to ensure they are filled out correctly, and use the correct notary verbiage for Florida Acknowledgements (Identity) and Jurats (Oath).

With my expertise, commitment to accuracy, and prompt document return, I am confident in my ability to provide you with a smooth and successful signing experience. Don't hesitate to contact me today to schedule a signing. Over 175 completed signings.
